3. Secretary (Sports) observed that since the Federation is located in Delhi, they are entitled to engage an Assistant Secretary to coordinate between Govt. and Federation. **I. National Coaching Camps for senior (Men and Women) - regular category (Five on Five ):-**

## **II. National Coaching camp for senior (Men and Women) – three on three-category:-**

- Federation informed that for the 1<sup>st</sup> time in Asian Games, 2018 and Olympics, 2020, three on three format (3x3) has been introduced in both Men and Women categories. Medals involved in Asian Games are one (1) Gold, one (1) Silver and 1 Bronze. Federation proposed to send Teams under this format in both Men and Women categories in the forthcoming Asian Games.
- Prior to Asian Games, two (2) coaching camps each for Men and Women categories had been proposed. Eight (8) players each in Men and Women categories would participate in a camp for seven (7) days from 19<sup>th</sup> June to 25<sup>th</sup> June, 2018.
- Similarly, another set of two camps would be held for Men and Women separately for seven days each. In each camp, four (4) players would attend camp. Total estimated cost for four (4) different camps (Men and Women) is Rs. 7.84 lakh.

- One qualifying tournament would be played away at Amman, Jordan and the other one would be at home. Domestic Tournament would be covered under the "international competitions" to be held in India which Indian team would also participate. Therefore, the meeting approved only the "away" tournament at a total cost of Rs. 20.63 lakh.
- The other two (2) foreign exposures are 48<sup>th</sup> William Johns Cup and Super Kung Sheung World Cup. The former would be held at Taipei from 25<sup>th</sup> July to 29<sup>th</sup> July, 2018 (5 days). Estimated expenditure is Rs. 18.33 lakh. The other foreign exposure is for eight (8) days from 9<sup>th</sup> Dec., to 16<sup>th</sup> Dec., 2018 in Hongkong. Estimated expenditure is Rs. 12.60 lakh. The Committee considered the request of the Federation for these two exposures and approved the same with a total estimated cost of Rs. 30.93 lakh. However, the meeting advised the Federation to reduce the number of coaches and support staff that would accompany the team. Accordingly, the number of coaches was reduced from three (3) to two (2) and support staff from two (2) to one (1). Federation would submit proposals to SAI accordingly. The total estimated expenditure as per the ACTC proposal for all the three foreign exposures is Rs. 51.56 lakh. This amount would be further reduced, as the number of coaches and support staff has been reduced. Further, SAI would consider the proposals as and when received from the Federation and propose financial support as per the scheme of assistance to NSFs.

An assistance of Rs. 30.00 lakh per tournament will be available for the purpose. Amount of Rs. 30.00 lakh is subject to the ceiling limit of one-sixth of the total budget approved under ACTC for a Federation.
- ***BFI is, therefore, entitled for Rs.87.30 lakh as one-sixth of total budget or Rs. 30.00 lakh for one international competition whichever is less approved under ACTC only for holding international tournaments in India. The Federation may, therefore, be advised to conduct the proposed international tournament in India, subject to the ceiling limit of Rs.30 lakh.***
- Further, BFI should extend the same facilities provided to the foreign players, participating in international tournaments in India, to Indian players also. Expenditure on Indian players would also be met within the ceiling limit of Rs. 30 lakh. ### VII. National Championships for senior, junior, sub-junior, cadet and youth:-

- Federation proposed to conduct National Championship for all age categories including senior, junior etc. However, they have not indicated the amount required for each National Championships.
- As per the scheme of the assistance to NSFs, for conduct of National Championships financial support of Rs. 22.00 lakh is provided for all the age categories of junior, sub-junior, cadet and youth. Therefore, irrespective of the number of National Championships, BFI would get Rs. 22.00 lakh only. Accordingly, the meeting agreed to provide this amount to the Federation.

### VIII. National Coaching Camps for junior U-18, youth U-16, sub-junior U-14 etc., (Boys and Girls):-

- Federation proposed 10 coaching camps. Details are at ANNEXURE "C". The dates for the camps are likely to undergo change. All the camps would be held at Kanteerava Stadium, Bengaluru.
- The meeting considered the necessity for these camps and approved only five (5) camps (S.No. 2 to 6) in the statement at ANNEXURE "C". Since dates for Future Internationals (S.No. 7 to 10 in ANNEXURE "C") are not known, the meeting did not consider it appropriate to approve them at this stage. The five (5) camps approved are for preparation of players for international tournaments being conducted by FIBA, the international body.
- The total amount approved for the five (5) camps is Rs. 66.22 lakh. However, SAI would provide financial support to the Federation for each camp as per the scheme of assistance to NSFs.

### IX. International competitions/exposures for junior, sub-junior, cadet and youth:-

- Federation proposed three (3) foreign exposures in July, August and Oct.-Nov, 2018. The last exposure would be held at Bengaluru as given in the ACTC proposal. This is an international competition to be held at Bengaluru. Therefore, this competition should appear under the heading "**International competition to be held in India, in which Indian Team would participate**" in the ACTC proposal.
- Accordingly, there are only two (2) foreign exposures for juniors etc., One in July, 2018 at Dhaka, Bangladesh and the other in Aug., at Bangkok. Total amount proposed for the two (2) foreign exposures is Rs. 24.82 lakh. (**Twenty four lakh eighty two thousand only**)
- The ACTC Committee considered the proposals and approved the same as these are FIBA approved tournaments. Amount approved is Rs. 24.82 lakh (approx.). SAI would apply the scheme of assistance to NSFs at the time of considering the proposals of the Federation, when received.

**X. International competition to be held in India in which Indian Team would also participate:-**

- Federation sought Rs. 11.90 lakh for conduct of FIBA under U-18 Women's Asian Championship, 2018 in Oct., 2018 for seven (7) days at Bengaluru.
- Maximum amount allowed per tournament is Rs. 30.00 lakh. However, it is subject to the ceiling limit of one-sixth of the total budget approved under ACTC, as per the scheme of assistance to NSFs. The remaining conditions are as provided earlier under the same heading for seniors. Subject to these conditions, the meeting approved the proposals to conduct an international competition in India at Bengaluru.

**XI. Sports equipment for junior, sub-junior etc.:-**

- Federation submitted a list of 26 items of sports equipment for procurement. List is at ANNEXURE "D". The total cost is estimated at Rs. 13.58 lakh. (**Rupees thirteen lakh fifty eight thousand only**)
- The meeting noted that there are certain common items in the two lists of sports equipment submitted by the Federation (one for seniors and the other for juniors etc.). Therefore, Federation needs to reconcile the two lists first. Thereafter, if the total value of equipment is within Rs. 10.00 lakh Federation could procure them, following GFR provisions. If not SAI would undertake the procurement work and supply the items to the Federation. The sports equipment procured, (except the consumable items) would be the property of SAI. Federation would, after using the equipment return them to concern SAI centre.
- The meeting, therefore, accorded "in-principle" approval to the Federation to procure the sports equipment. However, as advised earlier they would reconcile the items and decide the authority as to who would procure them.
