### **Adverse Analytical Finding Notice of Charge and Mandatory Provisional Suspension (Non-specified substance) under the National Anti Doping Agency Anti-Doping Rules 2015**

Dear Mr. Binod Rajak

I am writing to give you formal notice that you are being charged with a violation of the NADA Anti-Doping Rules [2.1]. These are referred to as "the ADR" in this letter.

#### **1. The Anti-Doping Rules**

1.1 You are subject to and bound to comply with the ADR. Capitalized terms used but not defined in this letter are as defined in the ADR.

1.2 Pursuant to the ADR, NADA is responsible for conducting the anti-doping disciplinary proceedings associated with this matter.

#### **2. Facts**

2.1 On Feb 8, 2018, a NADA Doping Control Officer ("DCO") collected a urine Sample from you. Assisted by the DCO, you split the Sample into two separate bottles, which were given reference numbers A 502878 (the "A Sample") and B 502878 (the "B Sample").

2.2 Both Samples were transported to the World Anti-Doping Agency ("WADA") -accredited Laboratory, the National Dope Testing Laboratory, New Delhi (the "Laboratory"). The Laboratory analyzed the A Sample in accordance with the procedures set out in WADA's International Standard for Laboratories. Analysis of the 'A' Sample returned an Adverse Analytical Finding ("AAF") for the following:

- 17-b-OH-methyl-17-a-methylnorandrost-1,4,13-triene-3-one, (Long term metabolite of Methandienone), Anabolic Steroid.

- 2.3 Methandienone metabolites are listed as exogenous anabolic androgenic steroids under S1 of WADA's 2018 Prohibited List which are *non specified substance*.
- 2.4 According to our records, you do not have a Therapeutic Use Exemption ("TUE") to justify the Presence of Methandienone metabolites, anabolic androgenic steroids in your system.

### 3.Charge

- 3.1 The AAF in your A Sample has been reviewed (in accordance with Article 7.2 ADR), and it has been determined that you have a case to answer for a violation of Article 2.1 ADR), namely the Presence of a *Prohibited Substance* or its *Metabolites* or *Markers* in an *Athlete's Sample*.
- 3.2 You are hereby formally charged with the commission of an anti-doping rule violation ('ADRV') for the Presence of:
  - 3.2.1 Methandienone metabolites, androgenic anabolic steroids in a *Sample* provided by you on Feb 8, 2018 numbered A 502878, in violation of Article 2.1 ADR.

### 4. Consequences

- 4.1 Our records indicate that this is your first ADRV, therefore you will be subject to the *Consequences* specified in the Article 10 ADR for a first offence, which means a period of *Ineligibility* of 4 years subject to article 10.4, 10.5, 10.6
- 4.2 Pursuant to Article 10.2.1 ADR, NADA will assert that the *Consequences* which should be imposed upon you should be a period of *Ineligibility* of 4 years.
- 4.3 Article 10.2. ADR explains that you may avoid the application of a period of *Ineligibility* of 4 years by establishing that the ADRV was not intentional in accordance with Article 10.2.3 ADR. In such cases, a period of *Ineligibility* of 2 years will be imposed.
- 4.4 Any period of *Ineligibility* imposed may be:
  - 4.4.1 Eliminated completely, if you can establish *No Fault or Negligence* pursuant to article 10.4 ADR;
  - 4.4.2 Reduced by up to a maximum of one half of the period of *Ineligibility* otherwise applicable, if you can establish *No Significant Fault or Negligence* pursuant to Article 10.5 ADR; or
  - 4.4.3 Reduced to a minimum of two years, if you promptly admit the charge in accordance with Article 10.6.3 of committing an ADRV contrary to Article 2.1 ADR. Any such reduction shall be applied at our discretion (with WADA's consent) and contingent on (a) your degree of *fault* and (b) our assessment of the seriousness of your ADRV contrary to Article 2.1 ADR.
  - 4.4.4 Partially suspended if you assist NADA in uncovering and/or establishing an ADRV by another *Athlete* or *Athlete Support Personnel* pursuant to Article 10.6.1.1 ADR. Discretion exists under Article 10.6.1.1 ADR to suspend up to three-quarters of the period of *Ineligibility* if you assist

NADA in uncovering or establishing one or more ADRVs by another *Athlete* or *Athlete Support Personnel*.

### 5. *Provisional Suspension*

- 5.1 Subject to paragraph 5.2 below, from 05:00 P.M. after receipt of first notice in seven working days, and in accordance with Article 7.9 ADR, you are hereby provisionally suspended from participating in any National Sports Federation/International Federation sanctioned *Competition* prior to the final decision being reached at a hearing of this matter. Your *Provisional Suspension* will extend to all *Competitions, Events* or other activities that are organized, convened, authorized or recognized by any other Signatory, Signatory's member organization, or a club or other member organization of a Signatory's member organization, or in *Competitions* authorized or organized by any professional league or any international- or national-level Event organization or any elite or national-level sporting activity funded by a governmental agency.
- 5.2 You may avoid the application of this *Provisional Suspension* if you are able to provide with an adequate explanation to the hearing panel in accordance with Article 7.9.3.1 for the AAF before 05:00 PM after receipt of first notice in seven working days. Failure to do so will result in the *Provisional Suspension* becoming effective on the date and time given above.
- 5.3 If you do not provide an adequate explanation by this deadline and a *Provisional Suspension* is consequently imposed, Article 7.9 ADR stipulates that you will not have the right to apply to have that *Provisional Suspension* lifted prior to the full hearing of this matter.

### 6. What happens next

- 6.1 Your explanation:

6.1.1 If you want to avoid being provisionally suspended, you must provide an explanation for the AAF by 05:00 PM after receipt of notice in seven (07) working days. You should also include if you admit or deny the charge. If you do not provide an adequate explanation in respect of the AAF the *Provisional Suspension* will come into automatic effect.

- 6.2 Admitting the charge:

6.2.1 If you admit the charge, you will be deemed to have accepted the accuracy of the AAF made in respect of the A Sample and to have waived your right to have the B Sample analyzed to confirm that finding (see paragraph 7 below as regards the B Sample).

6.2.2 If you admit the charge, you must accept the *Consequences* set out in paragraph 4.1. unless paragraph 4.4.3 applies.

- 6.3 Acceptance of the charge, but no agreement as to *Consequences*:

6.3.1 You have the right to accept the charge, but ask that the NADA Anti Doping Disciplinary Panel determine what *Consequences* should be imposed upon you.

6.3.2 Any request must be made to the Anti Doping Disciplinary Panel, which can be contacted via Panel Manager, NADA Anti Doping Disciplinary Panel on Telefax 011-24368248 or by email at [resultmgmt-nadaindia@nic.in](mailto:resultmgmt-nadaindia@nic.in). You can of course contact NADA also to ask that a hearing be convened.

6.4 Denial of the charge:

6.4.1 You have the right to deny the charge and to have the matter referred to Anti Doping Disciplinary Panel which will determine the case at a hearing. It will be NADA's burden to prove the charge against you to the comfortable satisfaction of the tribunal. If NADA is unable to discharge this burden, then the charge against you will be dismissed.

6.4.2 If the charge is upheld or you later admit the ADRV, the Anti Doping Disciplinary Panel will determine what *Consequences* should be imposed upon you.

6.4.3 If you deny the charge, you can request a full expedited hearing to be convened as soon as possible to resolve this matter. Any such request must be made to the Anti Doping Disciplinary Panel. Again, you can also contact NADA to ask that a hearing be convened.

6.5 Irregardless, you must provide a detailed response to this Notice of Charge by 05:00 PM after receipt of notice within seven working days. If you fail to respond by this deadline, you will be deemed to have admitted the charge and accepted the *Consequences* outlined in paragraph 4.3 above.

6.6. If you fail to dispute the contents of this Notice within 15 days, then the consequences as specified in Article 7.10.2 shall be followed, i.e, it shall be presumed that you deemed to have admitted the violation, to have waived a hearing, and to have accepted the *Consequences* that are mandated by these Anti-Doping Rules or that have been offered by NADA.

7. **Optional B Sample analysis**

7.1 You have the right to have your B *Sample* analyzed to confirm (or otherwise) the *AAF* made in relation to your A *Sample*.

7.2 If you choose to have your B *Sample* analyzed, the analysis will take place at the National Dope Testing Laboratory, New Delhi at a date and time to be advised. You are entitled to attend the opening and analysis of the B *Sample* or the Laboratory will arrange for an independent third party to be present.

7.3 Alternatively, you may waive your right to a B *Sample* analysis. In those circumstances, you will be deemed to have accepted the A *Sample* result, but you may still challenge the matter at a hearing if you wish subject to Article 7.10.

7.4 Please note that if you request the analysis of the B *Sample* and that analysis confirms the *AAF* made in relation to the A *Sample*, you will be required to pay the cost of that analysis, which is Rs. 5500/-, cost of B *Sample* analysis (see Article 7.3 ADR). If the B *Sample* analysis does not confirm the *AAF*, then you will not have to pay the costs of that analysis.

7.5 Please confirm as soon as possible if you would like to have your B *Sample* analyzed.

7.6 Please note that you have a right to request copies of the A and B *Sample* laboratory documentation package, which includes information as, required by the International Standard for Laboratories. Upon your request, the laboratory documentation package may be provided to you with in stipulated time on payment of Rs. 5500/- which shall have to be paid by the concerned athlete.

In accordance with the ADR, a copy of this letter is being sent to:
